Principal's Message

It has been a great experience getting to know your class over the past few years. I have had the opportunity to observe you as individuals and collectively in classrooms, during assemblies, in competitions, on stage, on our fields, and in our field house. As a result, I have learned so much about your level of care for each other, your school, and the community of Wakefield. I will miss you all as you move on to the next stage of your lives. It has been a privilege being part of your high school experience and I wish you all the best for a successful life beyond high school.

Sincerely,

Mr. Richard G. Metropolis
